WHILSTEL BLOWER POLICY

A. OVER COMING BARRIERS OF CURRENT OPERATIONS

This system is established under the chairmanship of Shri Aushim P. Khetarpal and he will be further assisted by chief operational officer (COO) and chief financial officer (CFO). The company's operational department ensures whistle blower upon failure / shut down or breaks down of business services supply systems and service utilities of its sports academy and entertainment division. Upon such intimation the company has established the systems for identifying the reasons for failure in continuous supply of business services, find out remedial action and to restore the services within minimum possible time so as to reduce overall business loss as well as the financial losses. In addition the Company has established data back up systems on CDs, DVDs, and is also in the process of hiring the data warehouse for retrieval of the various entertainment contents shoot and recorded on the Digital media. The Company is also planning to hire the Data warehouse center to securely warehouse all important entertainment related contents in digital forms safely.

The CFO blows the whistle upon any possible financial crunch or over/extensive financial liabilities. The short term financial management system ensures overcoming any unforeseen liabilities through overdrafts on deposits or temporary borrowing on Inter Corporate deposits basis. The long term financial planning ensures productive use of long term financial funds. The company as far as possible ensures making separation in usage of short term and long term funds.

B. POSSIBLE THREATS TO FINANCIAL SYSTEMS

The company operates in a multimedia and entertainment industry wherein the company is required to make heavy financial investment in products, high cost of manpower which are basically in the nature of revenue (Short Term) but the product being generated is of long term usage and can be marketed over the years which generates revenue in years. Further the company also faces threats of possible shortage of short term funds due to non completion of final products or delay in completion of the final products. Any financial problems are being met through short financial borrowing from open market or by way of barter system marketing arrangements.

C. MANAGEMENT'S ACTION PLANS (TO OVERCOME POSSIBLE SYSTEM FAILURES)

ORIENT TRADELINK LIMITED.

These are the areas which are difficult for any management to overcome and control. Even though the company's HRD and technical department ensures performance appraisal of manpower which to some extent help in eliminating this risk.
